Mister Bud Whatley, longtime friend, has passed away after a long and good life. Health had been a problem the last few years. Another one of our World War II vets. Their numbers shrink daily. Bud had a wry sense of humor and quick wit. He was the type that when he spoke, others listened. I can picture him now, a shock of white hair, cowboy boots, a Silver Belly hat, black framed glasses, always a gentleman. This is the way I will remember him. Our Condolences to the family.

Red light out, 75 and 84.Runaway 14 year old Juvenile girl reported 1 AM on Saturday. Second time she had pulled this stunt in two weeks. Turns out that she slipped off with her new male friend that she met on the InterNet who resides in Colorado....Also it turned out that this young computer whiz is a Registered Sex Offender, out of both Colorado and Nevada, but that information was not immediately known. Information started coming in after daylight, a bit here, a fragment there. I won't go into detail, but we traced her and her Goodtime Joe Computer Buddy to Kansas City, Kansas, Wichita, Ks., then to McPherson County, Kansas. GoodTime Joe's family members lied in Colorado about his location, said he was at work. Nope, he was burning up the roads crossing

multiple State Lines with a Juvenile Female. More snooping revealed a Motel Reservation for the following night in Oklahoma City....Now if you know a little geography, you know that I've just listed a very circular path in the Midwest, that really don't make sense, but that is the way it was. I won't reveal how we were able to compile and gather the information, but it all worked out. The Kansas State Highway Patrol were able to get the vehicle stopped, and I understand he did attempt to flee, but now he is in Jail due to the good efforts of all involved. And the 14 Year Old? Carried to a Detention Facility until her relatives can arrive. Good work by all involved....Kansas State

Highway Patrol, Adams County, Colorado S.O., Deputies Shipley, Hendrix, Barrentine, Howerton and Dispatcher Noll, FBI John Truehitt, and a list of others whom I can not reveal. Our charge will be Unlawful Restraint for the State, believe there will be another on the Federal side.

Deputy Travis Robertson to East 84, residence burglarized of TV, computer, camera, watch and coins, while attending funeral out of County. Deputy Elom to South FM-80 on vacant house burglarized. Deputy Barrentine receives confessions in Crockett on previous burglaries.
